Lesson Starters

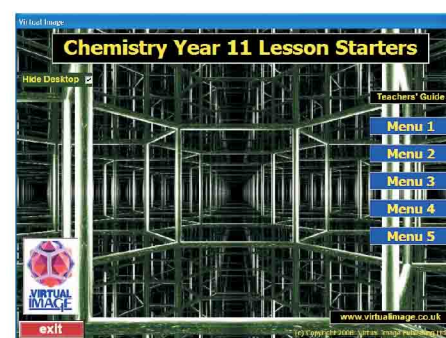

DESIGNED FOR THE NEW CURRICULUM

Chemistry Key Stage 3
Lesson Starters

Chemistry Year 10
Lesson Starters

Chemistry Year 11
Lesson Starters

This series of three Chemistry Lesson Starters CD-ROMs has been developed for presentation to the whole class on an interactive whiteboard or data projector. The 25 dynamic activities on each CD will capture the imagination of your pupils at the beginning of each chemistry lesson. They have been designed by leading science teachers, Debbie Nightingale and Sam Holyman, and the software expert Dr Nick Mee, and are guaranteed to engage even the most jaded of your pupils.

DON'T FORGET YOUR E-LEARNING CREDITS
