The Settlements CD-ROM looks at six very different communities. These are: Kinver, Blandford Forum and Manchester, a village, a town and a city in the UK, and The Mbuti, Alice Springs and Venice, which provide contrasting examples of village, town and city life overseas. The material about each settlement is divided into two sections - facts about the settlement and a brief history of its development. Each of the twelve sections includes Teachers' Notes, Key Facts and a multiple choice worksheet, as well as interactive labelling and ordering activities.
